Indian Institute of Technology Delhi
Industrial Research & Development Unit

Ref. No. IITD/IRD/SURA-2026/ 494095 Dated 19 /02/2026

Subject: Undergraduate Research Opportunity Programme (UROP) inviting project proposals for Summer Undergraduate Research Award (SURA) for the year 2026

To encourage Research & Development activities amongst the students, the IRD Unit invites proposals for the year ***2026*** from the Undergraduate Students. ***The guiding spirit behind SURA project is to encourage students to think, innovate and realize. The students should take initiative in identifying, studying and analysing problems as well as formulating solutions.*** They should identify academic staff in the Departments/Centres of the Institute, in the area of the proposed Research & Development project, to act as Mentor Faculty.

Guidelines Governing the Award:

Eligibility Only Undergraduate Students (4th Semester) governed by BUGS are eligible for the Award. Students submitting project proposals under SURA should have CGPA ≥ 7.5 and above.

Award The Award carries a remuneration of Rs.5,000/- per week per student.

Duration Eight weeks during summer vacation.
Extension, if required, to complete the project may be granted till October 16, 2026. Final reports will have to be submitted latest by third week of October 2026. No remuneration will be given for the extended period.

How to apply Interested students may discuss their proposed Research & Development Project with their mentor faculty(s) and submit proposals containing the following details:

1. Title of the project
2. Name, Deptt., Entry No., Contact No. & CGPA of the students and the name of the mentor faculty(s)
3. Objectives

(on cover page of the proposal)

4. Approach to the proposed R&D Project (the proposals should bring out the novelty aspect of the work)
5. Budget, duration and facilities required for executing the proposed project
   (The budget could be upto Rs.50,000/- per project)

Note: Proposal may be submitted by a student alone or by maximum of two students. ***Though more than one SURA proposals may be forwarded through any one faculty member as a mentor faculty, only one SURA project can be awarded under the facilitation of a faculty member.***

Proposals ***should be submitted in both hard and soft copy form. One hard copy of proposal (in bound form but without any plastic sheet covers) is to be submitted through respective*** **mentor faculty*(s) and the concerned Head(s) of the Department/Centre of student(s) as well as of mentor faculty(s) at IRD Unit. Soft copy should be forwarded by email to rajnikapoor2711@gmail.com .*** The mentor faculty should be available for the major part of the summer vacation. The proposals for the Award will be examined by a committee to be constituted by the Competent Authority on behalf of the Director.

The schedule of events concerning SURA- 2026 is as follows:

1	Submission of Project Proposals	:	March 9th, 2026
2	Withdrawal of Application	:	Before Presentation i.e. by the end of March
3	Presentation of Project Proposals before the Evaluation Committee	:	April, 2026 (tentative)
4	Announcement of the Shortlisted Projects	:	One week after Evaluation
5	Mid-term Evaluation by the Mentor faculty and report to be submitted to IRD	:	One month after the start of the project
6	Submission of Final Reports	:	Latest by third week of October
7	Final Evaluation	:	January (next year)
8	Announcement of finally Approved Award	:	One Week after Final Evaluation

Students are required to carry out their proposed project primarily during the vacation period with pending experiments during the following semester. Only those student who successfully complete their project, will be given the award certificate.

The Awardees will be required to present the work done under this Award in the Institute/Deptt./Centre at a later date.
